Temporary Illness or Temporary Incapacity

Temporary illness or temporary incapacity is an illness or other capacity of ill-being which renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The Board of Education's intent is that in no case will the employee who is temporarily disabled receive more than 100 percent of their gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes an employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may consider beginning dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervisor to perform health examinations if the examination is job-related and consistent with business necessity.

Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks per rolling year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided in federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.C.S. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.
2. The employee is a full-time classroom teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and

the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 90 school days.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 school days.

Suspension

Suspension Without Pay

The Board of Education may suspend without pay (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the School District.

Misconduct that is detrimental to the School District includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor
- Violation of Board policy of Administrative Procedure
- Conduct that disrupts or may disrupt the educational program or process
- Conduct that violates any State or federal law that relates to the employee's duties
- Other sufficient causes

The Superintendent or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee within 5 calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board of Education or Superintendent may suspend a professional employee with pay (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the School District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the School District, or (3) pending a Board hearing to suspend a teacher without pay.

The Superintendent shall meet with the employee to present the allegations, and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of

his or her criminal conviction, the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Personal Leave, Leave of Absence Without Pay, Association Leave, Professional Leave

Please refer to the current agreement between the Board and the Certified Personnel's recognized bargaining agent.

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave, allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same election day.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as reemployment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

School Visitation Leave

An eligible professional staff member is entitled to 8 hours during any school year, no more than 4 hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher's child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Additional Leave

Teachers with at least ten (10) years continuous full-time service with the District may apply for a short term leave of absence of up to five (5) days. Short term leaves of absence shall be governed by the following conditions:

1. Approval of a short term leave of absence shall be at the discretion of the School Board.
2. A teacher on a short term leave of absence shall receive full pay for the period of the leave providing the teacher pays to the District the salary of a substitute teacher for the number of days of the leave.
3. No more than three (3) teachers per year will be allowed to take short term leaves of absence and applications for such leave will be presented to the Board for consideration in the same sequence in which they are received.
4. An individual teacher shall be limited to one short term leave of absence each five (5) years.
5. The School Board reserves the right to waive the rules and grant additional short term leaves as a matter of grace when such action will not disrupt the educational programs of the District.

Leaves for Victims of Domestic or Sexual Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family, or household member who is a victim of domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victim's Economic Security and Safety Act, governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave

that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. § 2601, et seq.).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the School Board will grant: (1) an unpaid leave of absence to a teacher who is an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiation, (2) twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, or attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Employment At-Will

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in School Board policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing nonlicensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Compensation

The Board will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. An employee covered by the overtime provisions in State or federal law, shall not work overtime without the prior authorization from the employee's immediate supervisor. Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to Board policies as they may be changed from time-to-time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a noncertificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principals, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Employment Termination and Suspensions

Resignation and Retirement

An employee is requested to provide 2 weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least 2 months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continue employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff.

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct, or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay (1) when the employee is exempt from the

overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

1. Assign each employee one supervisor who will establish a work schedule, including breaks, as required by building or District needs, work load, and the efficient management of human resources;
2. Allow for the ability to respond to changing circumstances by altering work schedules as needed; and
3. Consider the well-being of the employee. The Superintendent's approval is required to establish a flexible work schedule or job-sharing.

Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. § 201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 40 hours, which represents compensation for 26-2/3 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off. Notwithstanding the above and in order to avoid hardship to the District, an employee's supervisor may require the employee to reduce accumulated compensatory time, or schedule the compensatory time-off for the employee.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Educational Support Personnel

Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 11 paid sick leave days per year. After 20 years of service with the district, non-certified employees will be given 18 sick days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 340 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness, or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Vacation

Twelve-month employees shall be eligible for two weeks of paid vacation per year. After 15 years of employment with the District, twelve-month employees shall be eligible for three weeks of paid vacation. Vacations must be approved by the Superintendent.

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a holiday listed below, twelve month employees will be paid for, but will not be required to work on the following holidays unless school is in session:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
President's Day	Veteran's Day
Spring Holiday	Thanksgiving Day
Memorial Day	Friday after Thanksgiving
Independence Day	Christmas Day

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Fulltime educational support personnel have three personal leave days per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal three days before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last five days of the school year, unless prior approval is granted by the Superintendent.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used on an in-service training day and/or institute training days without prior approval of the Superintendent.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Leave to Serve as a Trustee of the Illinois Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Illinois Municipal Retirement Fund in accordance with 105 ILCS 5/24-6.3.

Other Leaves

Educational support personnel receive the following leaves on the same terms and conditions granted professional personnel in policy 5:250, *Leaves of Absence*:

1. Leaves for Service in the Military and General Assembly
2. School Visitation Leave

3. Leaves for Victims of Domestic or Sexual Violence
4. Child Bereavement Leave.
5. Leave to serve as an election judge.
