Dear Parent/Guardian,

Illinois Public Act 099-0843 requires all schools in Illinois to request an Asthma Action Plan for all students diagnosed with asthma. According to our health data forms and/or medical records, you have indicated that your child \_\_\_\_\_ has asthma listed as a health condition.

An Asthma Action Plan can be found on the Crestwood webpage. Go to [www.crestwood.k12.il.us](http://www.crestwood.k12.il.us). Click on *Parents, Forms, and Asthma Action Plan*.

Discuss this with your child's physician and return it to school if it is appropriate. If this does not apply to your child and you do not feel a plan is needed at school, sign the bottom of this letter and return it to the school nurse. If it is determined that a plan is needed, have your doctor complete the attached form and return it to the school nurse. This Asthma Action Plan will be used to provide assistance to your child when experiencing an asthma episode.

If you have questions, please do not hesitate to contact the school.

Thank You,

Teresa Crippes RN
