Lenovo ThinkPad Insurance

Optional, accidental damage protection is being offered for your child's school issued Lenovo ThinkPad. The cost for one year of coverage is \$50. This is a nonrefundable insurance policy that will cover damage incurred at home, at school and in transit. It provides multiple complete repairs, or a single replacement of the PC (if required), if it is damaged beyond repair for liquid spills, unintentional drops or bumps, electrical surge, damage to the LCD screen, operational or structural failure under normal operating conditions or handling. This policy is beyond the normal system warranty which addresses mechanical defects and failures. This policy does not include coverage for theft or intentional damage of the ThinkPad.

Please complete the bottom portion of this form and return it to school by Monday, August 17, 2020. Make checks payable to Crestwood School.
