

Crestwood School Parent Portal

Crestwood School knows the importance of parent involvement in their children's education. In order to keep you as informed as we possibly can, we have created a Parent Portal that will allow you to view your student's grades, attendance, class, and lunch information online. This portal can be accessed by any computer that has web access.

If you are not interested in creating an account to access your child's information through the Parent Portal you will need to check the box below, stating that you do not want access to the Parent Portal. You will also need to sign this form and return it to your child's homeroom teacher.

If you would like to create an account so that you can access your student's information you will need to do the following. First, send an email from the email account that we have on file for you to parentinfo@crestwood.k12.il.us. The email address we have on file for you is the one you would have listed under your contact information at registration. Please list in your email to us the names of your children. Once your request is processed you will receive a reply email with the information you will need to login to view your child's account. You will also need to check the box below stating that you want access to the Parent Portal. Please sign the form and have your child return this form to his/her homeroom teacher.

If you currently do not have an email address on file with the office, please contact us at 217-465-5391 to update your child's contact information with your email address.

Yes, I would like to create an account to access the Parent Portal. I will send an email with my child's/children's names to parentinfo@crestwood.k12.il.us.

No, I do not want to create an account to access the Parent Portal.

Student's Name: _____ **Homeroom:** _____

Parent's Signature: _____ **Date:** _____
