

## Cool Tool

**Eagle Expectation:** Encourage Others

**Name of the Setting/ Skill:** Bathrooms – Exit Immediately

**SEL Standard:** 2C.1b. Demonstrate appropriate social and classroom behavior.

### **Purpose of the Lesson:**

1. To eliminate problem behaviors that could occur in the bathroom.
2. To maintain safety and order in the bathroom.

### **Teaching Examples:**

1. You and a few classmates are allowed to use the restroom. As you are washing your hands, you notice some of your friends goofing around instead of going back to the classroom. You remind them that when they are done using the bathroom they must go back to the classroom immediately.

### **Kids Activities/Role Play:**

1. Discuss why it is important to exit the bathroom immediately.
2. Role-play teaching example #1

### **Follow-up Reinforcement Activities:**

1. Compliment students who return from the bathroom in an appropriate amount of time.
2. Remind students as they leave for the bathroom to return immediately.
