

Cool Tool

Eagle Expectation: Give Respect

Name of the Setting/ Skill: School - Bullying

SEL Standard: 2C.1b. Demonstrate appropriate social and classroom behavior.

Purpose of the Lesson:

1. To teach students to treat each other with respect and avoid bullying

Teaching Examples:

1. Bobby and Joey are both seated in class. While the teacher is writing on the board, Bobby crumples up a piece of paper and throws it at Joey's head. What should the Joey do?
2. April is in an empty locker-room after gym class. Rebecca walks around the corner and looks to see if anyone is looking. She then walks behind the April and aggressively bumps into her. What should April do?
3. Tommy and a group of his friends are walking down the hallway and another student named Brad pushes Tommy. What should Tommy do? What should Tommy's friends do?

Kids Activities/Role Play:

1. Speak kindly and include the person being bullied.

Follow-up Reinforcement Activities:

1. Reward students when they stand up for other students.
2. Encourage students who are being bullied to tell an adult.
